LP Please inquire about information on LP products

We have engineered drawings for all styles of our sheds. They are available sealed in every state.

The Grandewood Classic line meets the demand for an upscale storage shed. This line features that extra detail along with our legendary craftsmanship for the detail-oriented owner. Featuring the wider roof overhangs and fascias, wider door and window trims, larger windows and other features. This line is available in vinyl or wood siding.

6-inch overhang is standard on Grandewood Classics except the garden

THE CARRIAGE

Navajo LP Smart Panel

The Carriage is a beautiful shed that comes with many standard options that are shown.

Keep in mind that The Carriage can come with the LP Smart, Duratemp, or Vinyl siding.

FEATURES

Shown: 10x16

Shingles: Hickory

Siding: Navajo LP Smart Panel
Tan Trim / Red Doors & Shutters

Options: Gable Vents, Windowed Cupola

THE ESTATE

Our Estate shed has a distinct look with the 6" overhang on all four sides.

As well the doors include transom windows as shown which helps with lighting.

The star trim and shutters also come standard on the Estate shed.

FEATURES

Shown: 10x16

Shingles: Weatherwood

Siding: Ivory Vinyl
Clay Trim / Hunter Doors & Shut

Options: Gable Vents, Windowed Cupola

Grandewood Classics (continued)

THE GLENWOOD Red LP Smart Panel

The Glenwood is shown here with LP Smart Panel. Simply put, this is a vertical panel. You can also choose LP Lap which are the horizontal grooves.

This is a great shed with plenty of storage for your personal belongings.

FEATURES

Shown: 10x16

Shingles: Weatherwood

Siding: Red LP Smart Panel
Navajo Trim / Avocado Doors & Shutters

Options: Gable Vents

THE KINGSTON

The Kingston is a very popular and beautiful shed offering both a front and side entrance.

The Kingston shown has an optional fiberglass 9-lite door. Side door entrance with ramp is great for larger tools or tractors.

FEATURES

Shown: 10x14

Shingles: Weatherwood

Siding: Sand Vinyl
Clay Trim / Black Shutters

Options: Gable Vents, Fiberglass 9-Lite Door, Ramp

THE GARDEN Tan LP Smart Panel

The Garden shed like all our Grandewood Classics, can be customized with color, roof, windows, and much more

The Garden can come with Duratemp or vinyl siding.

FEATURES

Shown: 10x14 w 4-inch Overhang

Shingles: Weatherwood

Siding: Tan LP Smart Panel
Beige Trim / Clay Doors & Shutters

Options: Gable Vents, Ramp

This 10x16 Kingston shed offers the triple shed dormer above which adds light and extra room in your shed.

The triple shed dormer also dictates the amount of windows on the side of your shed. A double shed dormer of course would offer two windows.

The Kingston with dormer comes standard with our garden door.

KINGSTON WITH DORMER Ronks Gray LP Smart Panel

This is a great storage shed that has plenty of space for tools and your personal belongings.

The double doors allow storage for larger machines and other tools.

FEATURES

Shown: 10x16 Kingston

Shingles: Charcoal

Siding: Ronks Gray LP Smart Panel
White Trim / Red Doors & Shutters

Options: Triple Shed Dormer with
Triple Windows, Ramp

Single Dormer on Garage

You have the choice of either a double or Triple Shed Dormer and 2 or 3 windows with LP Trim and Star Shutters.

Vinyl Sheds, as with any of our sheds, make the perfect place for storage or even hobbies such as crafting.

We are amazed at the amount of uses our customers come up with for their sheds.

Man or she cave is not just a term, it's a way of life.

THE QUAKER

Our vinyl sheds of course offer complete customization. You can choose siding type, siding color, trim color, door style, cupolas, and even ramps for your new shed.

If you are worried about delivery, don't, we can help there as well.

FEATURES

Shown: 10x14

Shingles: Weatherwood

Siding: Pewter
White Trim / Blue Shutters

Options: Cupola, Ramp

THE VILLA

The Villa is a beautiful shed for any yard that can be customized to your landscape.

The Villa is shown with an standard octagon window above the door, and both a front and side entrance. This shed has it all, a great look, and plenty of storage space for your personal belongings.

FEATURES

Shown: 10x16

Shingles: Charcoal

Siding: Sand
White Trim / Black Shutters

THE CHALET

A very popular seller, The Chalet shown helps us to understand how you can create a stunning shed with the many options available.

Keep in mind that you can customize the size as well to ensure proper storage for all your belongings.

FEATURES

Shown: 10x14

Shingles: Weatherwood

Siding: Khaki
White Trim / Black Shutters

Options: Octagon Window,
Gable Vents, 11-lite Door,
Flower boxes

THE COTTAGE

The Cottage shed shown offers double doors with an optional ramp.

The hip style roof is very unique and will have your friends talking.

FEATURES

Shown: 10x14

Shingles: Pewter Gray

Siding: Pewter
White Trim / Red Shutters

THE MINI-BARN

The Mini-Barn is well known shed used many times for storage.

This is a solid structure that will fulfill your storage needs for years to come.

FEATURES

Shown: 10x12

Shingles: Weatherwood

Siding: Khaki
Tan Trim

THE CAPE

The Cape shed is one of our largest A-Frame sellers. The 4 lite windowed doors, front windows, and optional windowed cupola provide plenty of light for your shed.

This is an upscale shed from the gable. The Cape offers 6" overhangs on the gables and a 7-12 pitch roof.

FEATURES

- Shown:** 10x14
- Shingles:** Charcoal
- Siding:** Pewter
White Trim / Black Shutters
- Options:** Windowed Cupola

THE GABLE

The Gable is our largest seller. While basic, you can dress the shed up to accommodate your exact needs.

This is a beautiful shed that is shown with optional vents on the side.

Vents will allow for greater circulation of air adding years to your structure.

FEATURES

- Shown:** 8x12
- Shingles:** Weatherwood
- Siding:** Sand
Clay Trim / Clay Shutters
- Options:** Gable Vents

THE DUTCH BARN

This vinyl Dutch Barn shed is an attractive yet unique looking shed. The shed offers additional space including a loft area.

If you need an attractive shed that offers additional space, the Dutch Barn is a great choice.

FEATURES

- Shown:** 8x12
- Shingles:** Weatherwood
- Siding:** Autumn Tan
Clay Trim / Clay Shutters
- Options:** Gable Vents, Ramp

GABLE

Our Gable shed is within our basic but beautiful wood shed line. Shown with double doors and optional cupola.

Be sure to contact our professionals directly if you have any questions about customization of your shed.

FEATURES

Shown: 10x14

Shingles: Weatherwood

Siding: Pequea Tan
Navajo Trim / Hunter Shutters

Options: Cupola

THE GABLE ECONO Econo Line Sheds

Our Econo Sheds (Barn, Mini-Barn & Gable) are more economically constructed but feature the same quality as our other lines.

The double doors and optional ramp offer plenty of space for larger machines.

FEATURES

Shown: 8x12

Shingles: Charcoal

Siding: Ronks Gray
Navajo Trim

THE CAPE

Our wood Cape shed offers a 7-12 pitch roof which is steeper offering a unique look.

Our shingles offer a limited lifetime warranty.

The Cape can be customized with all color, roof, and window options.

FEATURES

Shown: 10x14

Shingles: Shakeswood

Siding: Clay
Beige Trim / Brown Shutters

Options: Ramp

THE MINI-BARN

Much like our vinyl Mini-Barn, our wood Mini-Barn is known to be a great structure for storage.

The optional cupola is something that should be considered on any shed. This allows for circulation adding years to the life of your shed.

FEATURES

Shown: 10x12

Shingles: Fox Hollow Gray
Lt. Gray Siding / White Trim

Options: Cupola, Gable Vents

THE BARN

One of the biggest features of The Barn shed is the tall walls.

These are 6' foot walls instead of 4' allowing for additional space for shelving and tools.

This is the perfect shed for tools and personal belongings.

FEATURES

Shown: 10x10

Shingles: Fox Hollow Gray

Siding: Red
White Trim

Woods Sheds (continued)

THE QUAKER

The Quaker shed offers an overhang with higher walls in the front which offers more room for your belongings.

The Quaker also offers more detail and is dressed up a bit over the gable.

FEATURES

Shown: 10x14

Shingles: Pewter Gray

Siding: Ronks Gray
White Trim / Gray Shutters

Options: Gable Vents

THE DUTCH BARN

The Dutch Barn is known for a unique style and look and is many times used as a storage shed.

The design allows for more room up top to create one or two lofts adding to the space in your shed.

FEATURES

Shown: 10X14

Shingles: Weatherwood

Siding: Clay
Navajo Trim / Red Shutter
